

Dear Applicant

Folkworks Summer Schools Bursaries and Scholarships 2018

We do not want any students to be excluded from Folkworks Summer Schools because of the cost, therefore we offer a limited number of bursaries to Youth and Junior participants.

As the funds are limited we are unlikely to be able to make any full-cost bursaries available to participants; however we hope to be able to award part of the cost of the Summer School to a select number of participants. Funds are not awarded based on musical ability or merit.

Bursaries are awarded on a case by case basis. Previous awards have supported:

- low income families
- single parent families
- families with multiple children attending Summer Schools
- support for special access and additional needs

If you are uncertain whether you should apply, please do get in touch to discuss your needs with us. We have also been successful in past in referring participants to other funders to get their fees fully funded.

To be considered for a bursary please complete the attached form and return to; Amy Leach, Folkworks Summer School Bursary, Sage Gateshead, St Mary's Square, Gateshead, NE8 2JR or alternatively email to folkworks.summerschool@sagegateshead.com

If you need any assistance completing the form please contact Amy Leach on the above details or tel; 0191 443 4572.

Please provide as much relevant information as possible in support of your application, so the panel can best judge where to award funds.

Once we receive your bursary application a place at Summer School will be held for you. Do not pay or enrol for summer schools until you receive the results of your bursary application.

The deadline for bursary applications is **Monday 21st May 2018.**

The deadline for enrolments is **Monday 2nd July 2018.**

Yours Faithfully
